John,

Here is what I have. I don't seem to have a copy of the signed original lease, but have an unsigned version.

Subject: Nathan Simpson FOIA request from last week

Good Morning,

I still need to gather these records that Nathan requested last week. Can one of you send me what he asks for below:

- Any amendments, terminations, or modifications to the **Lease and Purchase Option Agreement** executed on or about July 2022 between Appomattox County and Appomattox Christian Academy.
- A full copy of "Exhibit A" incorporated by reference in the Second Amendment to the Deed of Lease as discussed in the Board of Supervisors Agenda Packet for April 21, 2025. This exhibit appears to have been omitted from the version made available to the public.

Thanks,
JKS
