Nathan,

I sent a draft to Terry and Rob Fowler for review. My understanding is that Rob is planning to discuss practical aspects of enforcement at a future meeting, presumably to inform his review of the draft, although Terry can probably speak more directly to that. Rob has done quite a bit of enforcement work on these type of issues for other local governments, so he will be a great resource on what works from a practical standpoint. Please let me know if I can be of further assistance.

Thanks,
Frank

Hi Terry,

I hope all is well.

Would you mind requesting that Frank have a draft of the property maintenance code ready for review for the next meeting?

Also, were you able to reach out to the Campbell County Circuit Court Clerk?
